PEEWEEES (AGES 4 - 7) 9AM - 10AM

MEMBERS: \$120 + TAX | NON MEM: \$145 + TAX

Our fastest growing (literally and figuratively!) clinic, works on movement and hand-eye skills using tennis-like games and drills. Use of Quickstart techniques with a strong emphasis on fun is the hallmark of this clinic! Last summer, we had over 50 pee-wees move through the program!

SCRAPPERS (AGES 6 - 7) 9AM - 10:30AM

MEMBERS: \$180 + TAX | NON MEM: \$210 + TAX

Players are no longer new to the game but not ready for full size rackets, courts, or yellow balls. Instructors will use 10 and Under teaching techniques to prepare this group for eventual movement to the junior "Tweeners" group. Footwork, grips, and stroke production is emphasized during this 90-minute session!

TWEENERS (AGES 8 - 13) 10:30AM - 12PM

MEMBERS: \$180 + TAX | NON MEM: \$210 + TAX

Tweeners will use Quickstart competitions as well as traditional tennis formats. Players will compete in many drills throughout the camp as we prepare them for tournaments and after school programming in the fall! Some Tweeners have already played a tournament or are ready to play one now. Emphasis on "live ball" drills and match play is the difference in the tweener groups!

ADULT CLINIC 9AM - 10:30PM

MEMBERS: \$180 + TAX | NON MEM: \$210 + TAX

Geared toward the 3.0-3.5 players emphasizing shot of the day and supervised team play. Our goal is to keep players sharp and integrate them into leagues and other tennis activities at the club as soon as possible. We will use a variety of on/off court training to maximize player potential. From discussing tennis tactics and techniques to the latest equipment, our pros will keep you in the know.

HIGH SCHOOL (AGES 14 - 18) 1PM - 2:30PM

MEMBERS: \$180 + TAX | NON MEM: \$210 + TAX

This clinic targets players looking to play high-level JV or Varsity tennis in the upcoming school year! Footwork and conditioning, as well as dynamic drills (both instructor fed and "live-ball") make this clinic a must for budding high school players. Tournament participation will be encouraged!
